#### About MSFDA

Maharashtra State Faculty Development Academy (MSFDA) is a unique initiative of the Government of Maharashtra to design and conduct capacity-building programs for teachers and other stakeholders from universities and colleges across Maharashtra. The Academy aims to nurture colleges as safe and vibrant learning spaces, thereby ensuring quality higher education to develop good, thoughtful, well-rounded and creative individuals.

MSFDA is a registered Section 8 Company established by the Department of Higher & Technical Education, Government of Maharashtra. The MSFDA Board is chaired by the Chief Secretary of Maharashtra. The Board members of MSFDA are Secretaries of Higher Education, School Education, eminent educationists, Vice Chancellors, and Directors of Higher & Technical Education.

The non-negotiable values of MSFDA include learning beyond knowledge, eliminating competition and fear in higher education spaces, promoting skills of educators towards building relationships that nurture learning and intelligence, addressing biases and promoting inclusion and diversity, mainstreaming arts and fine art in education, and reforming evaluation.

MSFDA designs in-house programs based on the core values of the Academy and a range of other programs are conducted in collaboration with partners – academic/professional organizations. Thereby creating a "nexus of good", a positive ecosystem for the cross-sharing of best practices. These programs reach out to Vice Chancellors, higher education government officials, principals,

teachers, administrative staff, and students, too. Around 9630 participants from 1400+ colleges/higher education institutions have participated in various programs of MSFDA till 31<sup>st</sup> May 2024.

For these, it is important that these programs are also held at the regional /district levels. This will ensure ease of participation of faculty from colleges located in those districts. For this purpose, MSFDA has been in search of Organizing partners, i.e., such higher education institutions that will undertake the logistic responsibility of conducting MSFDA programs and ensure the enrolment of eligible higher education faculty members from that region in those programs.

Such organizing partners have been carefully chosen from among various colleges of Maharashtra. Typically, these are the bigger and lead colleges in every district of Maharashtra and are well-placed infrastructure-wise to host capacity-building programs.

The parameters that have been considered for selecting these colleges include, availability of facilities such as accommodation facility for around 40 to 50 persons (both male and female), facility for providing hygienic food to participants over a period of 5 to 7 days, availability of clean toilet facilities, central location for ease of transportation of participants to such colleges, and availability of good training hall preferably with ICT facility for the conduct of training program. The pro-activeness of the leadership of the institution in cooperating in such noble endeavours is also an important parameter

The second party has been selected as such an organizing partner. Vide this MOU, MSFDA and the second party (Organizing Partner) are entering into an agreement that **the second party will, subject to availability of its premises and accommodation facilities and other factors, agree to host capacity programs of MSFDA as and when required in their district/region.** For this they will undertake all activities relating to logistic arrangements for such capacity-building programs, such as accommodation of participants, providing food and sanitation facilities, training facilities etc. In addition, the organizing partner will help the MSFDA, in obtaining participants for the said capacity-building programs from their college, surrounding colleges from their own district and also from that region. **The organizing partner will facilitate registration of at least 30, and preferably 40, confirmed** (i.e., participants who have also paid the registration fee) **participants from their region,** preferably seven days (and later than three days) before the start date of the program, of which number of participants from their own institution (i.e. Organizing Partner) should be preferably 25% of the total participant strength. They can obtain the support of the district MSFDA Ambassador in this regard.

The Organizing Partner will assign **one person as a single point contact to oversee arrangements** before, during, and after the program. MSFDA representatives will be included in all email/communication with participants.

All program-related communication material will have the logos of MSFDA and the program Academic Partner (if any) and will be pre-reviewed by MSFDA. (Also, MSFDA does not

encourage the printing of banners, flex boards, standees etc. and no budget may be allocated to it. If publicity material is absolutely essential, the design should be preapproved from MSFDA. **MSFDA also does not encourage any formal inaugurations of training programs. No gifts/mementos may be given to trainers or any other persons. There will be no budget allowed for such activities.** MSFDA shall reimburse the Organising Partner the expenses incurred for the lodging and boarding of the participants **in case** the second party is required to provide accommodation to the participants in hotels. The second party shall get the rates of the hotel accommodation preapproved from MSFDA before the program is announced.

#### **Budget:**

- Reimbursement of expenses will be transferred only to an audited account of the organizing partner institution.
- 50% advance of the pre-approved expense estimate for the arrangement of the program will be issued upon request and approval of budget, after the program registration open
- Final claim for all expenses as per allocated budget and in requisite format should be sent to MSFDA along with original bills within 15 days of the last date of the program

The Organizing Partner will be provided a lump sum amount of Rs.10,000/- for the conduct of each program (Average duration one week) for administrative/contingent expenditure support of hosting such a program. In addition, MSFDA shall reimburse the charges towards accommodation, food arrangement, and other allied support for the conduct of the training program organized by MSFDA as per actuals after submission of relevant documents. **This reimbursement shall be capped as per the norms of MSFDA.**

#### **CLAUSE 3: REPORTING**

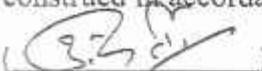

The organizing partner shall keep detailed documentary evidence and report of the programs hosted by them. They will provide all these documents as desired to MSFDA upon the completion of the program. The organizing partner will prepare reports about the faculty development programs conducted by MSFDA and submit the reports after completion of the program.

#### **CLAUSE 4: VALIDITY**

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms.

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of termination, both parties must discharge their obligations

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996.
