4. Discussion on the work done in IQAC in 2019-20 & 2020-21

The coordinator informed the meeting that all the process for peer team visit by NAAC was undertaken

in the year 2019-20. In the meeting of IQAC held on 23rd January 2020, a review of the peer team exit report was taken.

She also reminded that it was decided that she has to submit the AQAR 2019-20 & the new coordinator to be appointed will take up the responsibilities of IQAC coordinator. So, she didn't take up any work regarding IQAC. As there was a nationwide lockdown, the function of the college had come to a stand still. The AQAR 2019-20 format on the HPT portal of NAAC on its website was to open only after 1 year after the peer team visit in October 2020. Meanwhile the coordinator got infected with COVID 19 & returned from her medical leave due to COVID on 20th October, 2020. Then she started her work on the AQAR 2019-20. In the meeting of 9th November, 2020, discussion on the activities to be organised after accreditation took place & suggestions were made in the coordinator's list submitted on 29/10/2020. Besides, this work, no other work was done by the IQAC, coordinator.

On this discussion, the chairman made the following points.

- i) The IQAC coordinator has not done any work after the accreditation.
- ii) As she didn't submit her suggestions for improvement & new activities to be undertaken; the faculty has not done targeted activities based focussed work since the accreditation.

- iii) She has failed to fulfill her & hence the work for the year 2019-20 & 2020-21 has hampered.
- iv) If she had given her suggestions immediately, the faculty would have done substantial work.
- v) Though it was decided that the charge of IQAC coordinator would be given to somebody else, it was not handed over to the next coordinator officially so it was her duty to complete the work.
- vi) As she has failed to fulfill her duty, the year after accreditation has gone useless.
- vii) As she has not kept the record of the information not given to her by the in-chargers, it cannot be said that they didn't cooperate her. All the criterion in-chargers have given their cooperation.
- viii) The coordinator has started to collect the data for AQAR only after October 2020.
- ix) The AQARs after the 2nd cycle of accreditation have not been submitted in time. The SSRs of 2nd & 3rd cycle are also not submitted in time.
- x) The coordinator has not taken initiative to call the regular meetings of IQAC.

Besides, these points, the chairman instructed the coordinator to conduct the meetings of IQAC every second week of a month. A review of implementation of suggestions is to be taken in the meeting in a format.

Information needed for AQAR
be collected every month criterionwise.

After a thorough discussion the
coordinator agreed - all above facts

Resolution:

It is resolved that a note of
all points made above be taken &
the meetings of IQAC are to be
conducted every second week of a
month, a review of implementation of
suggestions be taken & information
needed for AQAR be collected every
month.

Proposed by: Dr. P. B. Kamble,

Seconded by: Dr. G. R. More

5 Any other business with the permission
of the Chair.

Dr. P. B. Kamble suggested that
the coordinator should give the print
of the filled in AQAR criterionwise
to the in charges of the criterion.

The coordinator told the members
that she will upload the answers
of all questions possible & then give
the print to all criterion in charges.

Resolution:

It is resolved that the
coordinator is to give the prints of
the filled in format of AQAR to the
